Greetings from all of us at PSR Camp,

**Summer camp registration for 2022 is already in full swing.**

Your local conference and summer camp have been partnering with churches and families to send young people to camp for over 15 years. This year we're making 120 matching scholarships available as just one more tool (along with VBS & Adventurers/Pathfinders) of evangelism you can use to create change in the life of a young person forever.

PSR Camp is a powerful ministry that draws hundreds of children, dozens of staff, and so many guests together from around California and the entire world. We're blessed to be part of a tradition of service that started when the camp was founded in 1961 and continues to this day.

Our rules for acceptance and participation are simple and the same for every individual, regardless of religion, creed, race, ethnicity, national origin, or gender. We want our guests to feel like camp is a place where everyone can belong. Our hope is that every child will try new things, make new friends, have fun, and learn more about what it means to be a follower of Jesus from an outstanding role model selected from our Adventist community.

We're looking forward to making some great new memories together up on the mountain.

Blessings,

Carmen Ibañez  
PSR Executive Director and SECC Associate Youth Director
